No. If you act in a way that upsets other users then you have to be responsible for the consequences. We expressly disclaim any and all responsibility and liability for your conduct or the conduct of any other user of Appexlove, and expressly disclaim any liability for Content uploaded by you or by any other user.

(a) the total fees the user paid to Appexlove in 12 months prior to the action giving rise to liability. This limitation on liability applies to, but is not limited to, the transmission of any disabling device or virus that may infect your equipment failure or mechanical or electrical equipment or communication lines, telephone or other interconnect problems (e.g., you cannot access your internet service provider), unauthorised access, theft, bodily injury, property damage, operator errors, strikes or other labour problems. in connection with Appexlove including, without limitation, any liability for loss of revenue or income, loss of profits or contracts, loss of business, loss of anticipated savings, loss of goodwill, loss of data, wasted management or office time and any other loss or damage of any kind, however arising

and whether caused by tort (including, but not limited to, negligence), breach of contract or otherwise, even if foreseeable whether arising directly or indirectly.

You agree that questions and complaints received are your exclusive responsibility and you shall indemnify appexlove.com.

I forgot the rules about conduct on here and now someone is threatening to sue YOU. What now?

If we are sued as a result of your use of Appexlove then we have the right to defend or settle the relevant claim as we see fit. If we ask, you will co-operate fully and reasonably as required by us in the defence of any relevant claim.

You agree to hold harmless and indemnify us and our officers, directors, employees, agents, representatives and licensors from and against any third party claims, damages (actual and/or consequential), actions, proceedings, demands, losses, liabilities, costs and expenses (including reasonable solicitors' fees) suffered or reasonably incurred by us arising as a result of, or in connection with, your access to and use of Appexlove, the uploading or submission of Content to Appexlove by you or your conduct, other than in accordance with the Terms or any applicable law or regulation ("Claim"). others

What about all of those standard clauses that you see at the end of most contracts? They're the best bit!

As you asked so nicely...

The Terms and any dispute or claim arising out of or in connection with it or its subject matter (including non-contractual disputes or claims) shall be governed by and construed in accordance with English law. In the event there is a discrepancy between this English

language version and any translated copies of the Website Terms and Conditions, the English version shall prevail.

We reserve the right to modify, amend or change the Terms at any time (a “Change”). If we do this then the Changes will be posted on this page and we will indicate the effective date of the updates at the bottom of the Terms. In certain circumstances, we may send an email to you notifying you of any Change. You should regularly check this page to take notice of any Changes.

If you do not accept any Change to the Terms, you should stop using Appexlove immediately. Your continued use of Appexlove following any Change constitutes your acceptance of the Change and you will be legally bound by the new updated Terms.

If, for any reason, any of the Terms are declared to be illegal, invalid or otherwise unenforceable by a court of a competent jurisdiction, then to the extent that term is illegal, invalid or unenforceable, it shall be severed and deleted from the Terms and the remainder of the Terms shall survive, remain in full force and effect and continue to be binding and enforceable.

The Terms set out the entire agreement and understanding between us and you in relation to your use of Appexlove and supersedes all previous agreements, representations and arrangements between us (either oral or written). Nothing in this clause shall limit or exclude any liability for fraudulent misrepresentation.

No failure or delay by us in exercising any right, power or privilege under the Terms shall operate as a waiver of such right or acceptance of any variation of the Terms and nor shall any single or partial exercise by either party of any right, power or privilege preclude any further exercise of that right or the exercise of any other right, power or privilege.

Nothing in the Terms shall confer or purport to confer on any other third party, any benefit or the right to enforce any term of the Terms and the Contracts (Rights of Third Parties) Act 1999 which shall not apply to the Terms.
